

DYERSBURG LEGION HONORS ITS DEAD

DYERSBURG, Tenn., June 8. (Sp.)—Union services of all the churches were observed Sunday at the Cumberland Presbyterian church under the auspices of the Dyersburg post of the American Legion, commemorative of the soldiers from this county who made the supreme sacrifice in the world war. The services were attended by the post in a body, and by ex-service men from the county. The large auditorium was filled, and special seats had been reserved for the relatives of the dead soldiers.

Rev. George P. Scott delivered the invocation, while short addresses were made by the Revs. A. C. McCabe and J. W. Blackard. At the conclusion of these addresses, L. J. Cooper, of the local post, called the roll of the dead, which aggregated 51. Of these many were killed at Chateau Thierry, the St. Mihiel salient, and in the Argonne forest. The local post plans to conduct these meetings annually.

COALITION BLOC LEADS IN GERMAN ELECTION

BERLIN, June 8.—Reports from nearly 350 districts on the result of the balloting for members of the new Reichstag on Sunday, June 6, showed up to 11 o'clock last night, showed that the majority socialists, centrists and democrats, the parties making up the coalition bloc back of the present government, had elected 156 deputies.

The main parties of the conservative opposition, these figures showed, had elected 82 members, while the main party of the left, the independent socialists, had elected 57 members. Added to these 295 votes of the principal parties were 47 classed as "scattering."

ABROGATION PROTESTED.

SMYRNA, June 8. (By the Associated Press.)—Representatives of the American, British, French and Italian governments have protested to the allied high commissioners at Constantinople against the proposed abrogation by Greece of the capitulations, or extraterritorial privileges, enjoyed by nations of the Western powers in the Smyrna district.

The protest declares this action would give such an advantage to neutrals as to bound by the peace treaty that business men of the signatory powers would be forced out of Smyrna.

WIRT AT DYERSBURG J.

DYERSBURG, Tenn., June 8. (Sp.)—E. L. Wirt, candidate for governor, spoke to a small audience in the courthouse here Saturday. He was introduced by C. F. Sugg, chairman of the county Democratic executive committee. Little interest was apparently taken by the public at large as the season is a very busy one with the farmers, who are not interested in political addresses at this time. Mr. Wirt remained over here Sunday, leaving for Tiptonville Monday, where he addressed the voters of Lake county.

CLUB ELECTS OFFICERS.

PONTOTOC, Miss., June 8. (Sp.)—The Twentieth Century club, the oldest organization of the town of Pontotoc, recently held its annual election with the following officers: President, Miss Frances Arnold Bissinger; vice-president, Mrs. Carol Miller Word; recording secretary, Mrs. Raymond C. Anderson; corresponding secretary, Mrs. Ashton Floyd Herman; treasurer, Mrs. Alonso James Wheeler.

DELAWARE FOR DUPONT.

CHICAGO, June 8.—Delaware's six votes in the convention are expected to be cast on the first ballot for T. Coleman DuPont, national committee man. Daniel O. Hastings, of Wilmington, will make the nominating speech.

ALVARADO RESIGNS.

Roots and All—Instantly!**
(A Marvelous New Method)

The new phenol process is an improvement from the electrolytic, electrical and other methods as is right from day. It actually removes the roots of hair, roots and all, before your very eyes. It does this in just a few seconds and you can get a stick of phenol at any drug store, with directions, which are quite simple. There is no odor to it, no irritating or poisonous constituent—you could even eat it without the least injury. It will leave your skin as soft, smooth and hairless as a babe's.
